

Charge Fails, Driver Is Freed.

Robert Moynihan, 671 Main street, charged with driving an automobile while drunk, was discharged today by City Judge Keeler when Patrolman John F. Hughson admitted he had not seen the man driving his machine and he could not swear whether the man was drunk or only excited. Moynihan struck a pole in driving out of a garage in Delaware avenue near Chippewa street last night and was repairing his headlight, when the officer, attracted by the crash, began to question him.
